## Experience

### Web & Mobile Developer

10//2021 to Present

#### WP Tech Ab (Sweden)

- Leading the development of the front-end architecture for our mobile application.
- Comfortable working in the backend.
- Integrated TRPC, resulting in fully type-safe communication (API) between front-end and back-end.
- Utilising testing frameworks for both mobile (maestro) and web (playwright).
- Utilising GitHub actions, local shell scripts and google cloud deployment for backend and web apps.
- Set up IOS and Android production deployment workflows using EAS (React Expo) cloud services.
- Configured local mobile application build setups and app updates for IOS and Android using React Expo.
- Working closely with the UX/UI designer to produce rich interfaces with rich animations
- Using Figma to prototype and build designs quickly resulting in an intuitive and simple user experience.
- Continually contributing to the writing and updating documentation for environment setups and CI/CD pipelines for easier onboarding of new developers.

### Frontend Developer

11//2021 to 10/2022

#### Phenopolis Ltd - NHS (Remote)

- Lead the front-end development of the Moorfields Hospital Keratoconus eye diagnosis tool used by doctors to help patients better visually understand their keratoconus eye diagnosis.
- Created intuitive data visualisations from patient data..
- Migrated legacy javascript code to typescript.

### Full-stack Developer

12/2020 to 10/2021

#### AYODA (Contracting | Remote)

- **Therapy Box Ltd** - Worked on flagship product (Predictable) using React Native to integrate a native swift language-based voice feature - IOS development.
- **Legal Connection** - Frontend developer refactoring legacy code.
- **Heer Digital** - Frontend Wordpress developer.

### Charity Co-Founder & Web Administrator

11/2017 to Present

#### Stop Holding Back Foundation (London | Remote)

- Co-founder, Charity trustee, Group facilitator & Website management.
- The Stop Holding Back Foundation is a charity dedicated to helping people who Stutter become better speakers with the ultimate goal of improving their employability.

Website: [www.stopholdingback.org](http://www.stopholdingback.org)

### Signal Technician

05/2015 to 11/2020
